## ELIGIBILITY

For BCA-10+2 with Maths

For MCA – Any graduate with Maths at 10+2 or Graduation

For Integrated MCA – 10+2 with Maths/Accountancy/Statistics

## SCHOOL OF COMPUTERS (SOC)

The School of Computer is a leading institute devoted to imparting quality education. IPS Academy respects the fact that IT Professionals of tomorrow shall not just be heads. He / She would be a visionary, a trendsetter, a manager, a leader, a motivator and a conscious citizen of the society. Hence this individual would be required to add value to the organization and the society in general. SOC aims to prepare the students for this noble purpose.

The task of SOC is uncannily similar to that of a present organization. Like any successful corporation it takes raw material i.e. the fresh student, uses its processes to add value to that input and produces output that is designed to meet the needs of the customer i.e. the recruiter. This mission is carried out by seminars, workshops, interactive sessions and brainstorming discussions that keep the grey cells rolling in rapid coordination. The institute conducts rigorous sessions with eminent IT professionals and academicians, which promotes intellectual growth among students, thus inculcating an interactive work and academic environment. Bringing about logic with applied techniques of management requires crystal clear concept building a process which we have followed thoroughly. Hence our students are kept abreast with contemporary development and emerging issues in various areas of the industry with dynamic global scenario in mind.

## COURSES

The School of Computers (SOC) offers the following courses:

- **BCA** (Bachelor of Computer Application) (3 year)
- **MCA** (Master of Computer Application) (2 year – 04 Semesters)
- **Integrated MCA** (5 year – 10 Semesters)

## WHY WE ARE UNIQUE

**IPS ACADEMY**  
School of Computers

BCA/IMCA  
MCA  
Student

SPORTS

BUS FACILITY

## DIRECTOR'S MESSAGE

Welcome to SOC IPS Academy Indore. For more than 25 years SOC, IPSA have served Indore's flagship comprehensive institution of Higher Education. We are advancing institutes tradition of excellence in Computer Application through high quality teaching, research, industry institute collaboration and skill development initiative.

Our campus is set in a beautiful environment that encourages interaction and camaraderie. Our distinguished faculty are able to deliver best out of the students capabilities.

Our prime goal is to become one of the most prominent and excellent education institutes in the country. We are fortunate to have talented and highly committed teaching and supporting staff to ensure best learning environment for our students. Our unique teaching and learning process with a proper blend of theory and practical ensures the high capacity building of our students. Our alumni are innovators, managers, scientists, entrepreneurs and aspiring leaders from every age group and are located in every corner of India and abroad.

We seek to prepare our students as good professionals, and good human being committed towards the betterment of our country.

**Dr. Manish Pundlik**  
Director
